Summer task

1. Is there a decade that you really like? eg The Roaring 20's / The Swinging 60's etc.

Research and prepare a presentation about your favourite decade. Think about what was going on at the time (the current affairs, news stories, politics and history) as this sets the scene. It's the clothes and fashion of the time that we're really interested in though.

2. You need to get a small sketch book and start to keep notes , sketches, pictures from magazines etc of things that you like...this can then be used to help for ideas and inspirations. You can include colour combinations (paint charts etc.), fabric swatches,
